## What does the Alva Chamber of Commerce offer BUSINESS members?

---

**BUSINESS REFERRALS:** The Chamber receives hundreds of phone calls each month. People call us wanting information for retail, manufacturing, and service businesses. The Chamber refers those persons inquiring to current members only.

**CHAMBER WEB SITE:** Our web site, [www.alvaok.net](http://www.alvaok.net), provides our members with exposure all over the world. Customers, tourists, or anyone accessing our site can pull our members by category. We will also link your web site to ours for no additional cost, with just the click of a button.

**COMMITTEE PARTICIPATION:** Many people want to get involved in their community. Getting involved with the Chamber committees and task forces is a perfect way for a person to impact Alva. We need you!

**GRAND OPENINGS & RIBBON CUTTINGS:** A new business or just a change (remodel or addition) in your current business will qualify for a grand opening or ribbon cutting. We offer grand openings and ribbon cuttings to current members only.

**INSURANCE:** The Alva Chamber has teamed up with the State Chamber of Oklahoma to provide Oklahoma Chamber Market, a group healthcare coverage to our members and their employees. For more information, contact the Alva Chamber office.

**COMMUNITY COFFEE:** Held the third Friday of the month, this is a great way for businesses to network with other businesses. The coffee ends with an open forum of community events and business promotions.

**LEGISLATIVE EGGS & ISSUES:** The legislative breakfast is held the 3rd Friday of the month during the legislative session. Alva's state representative and senator give a legislative update and offer a question and answer session.

**CHAMBER BUCKS:** "Chamber Bucks" Gift Certificates are available in \$5, \$10 and \$20 denominations from the chamber office. Only Chamber member establishments may accept these certificates for merchandise and services. This program helps keep dollars in Alva.

**EDUCATIONAL WORKSHOPS:** The Alva Chamber partners with Northwestern Oklahoma State University, Northwest Technology Center, Rural Enterprises Incorporated, and Oklahoma Small Business Development Center to offer monthly educational workshops that are beneficial to Alva Chamber business members. Workshops are listed in the Alva Chamber newsletter.

For more information on any of the above benefits, contact the Alva Chamber at 580.327.1647.
